

Independent Dekor

Standard set design & complex custom builds

Flawless scenic sets for your film, TV, commercial, event or fashion production

Stage Decoration for TV show
"TOTALLY MAGIC"
Swedish Television SVT1

From our scene shop in Stockholm with 600m² of construction area, 7 meters of vertical working space and our Luleå branch office in Northern Sweden, we design and create scenic solutions for film, TV, events, commercials and for the fashion industry. Our combination of in-house master craftsmen, technical know how and industrial capability is perfect for us to give form to our customers, great visions and ideas.

THREE REASONS FOR CHOOSING US:

EXPERIENCE We have produced over 1000 sets from 1999 till today. We build everything from standard sets to large, complex constructions and special commissions optimized for digital post production (VFX).

UNIQUE KNOWLEDGE We have specialists on hand in the fields of construction, painting, antique finish, carpentry, prop-making, metal work and mechanical engineering.

SHORT TURNAROUND & PROMPT DELIVERIES With our fully equipped workshop we can prefabricate exactly what you want when you want it; ready for transport to the movie set in the studio or virtually any other location.

FEATURE FILM AND DRAMA Independent Dekor has built a large number of movie sets for feature films and TV dramas in Sweden. Some of these include Efti, SF Svensk Filmindustri, Pampas Produktion, Anagram, Yellowbird, Tre Vänner and Bob Films Sweden to name a few.

COMMERCIAL AND STILLS

We have worked with most production companies in Sweden. In recent years we have produced the commercial and still sets for Acne, Tractor, The Producers, We Are Group and Kouthoffd.

TV/ENTERTAINMENT

Do you want to see your impossible TV idea realized? We welcome the challenge! Independent Dekor has recently built sets for TV shows such as "Completely Magically" (SVT1) and "The Weakest Link" (TV4).

FASHION AND EVENT

Gant, Acne, HM, Odd Molly, Peak Performance (to name a few). These are some of the fashion companies that have engaged Independent Dekor to produce everything from unique pieces for their interiors to overall custom shop fittings.
